

ROAD CLOSURES & TIMES

Momentum 94.7 Cycle Challenge - Sunday 15 November 2009

Dear Joburg Resident

The Momentum 94.7 Cycle Challenge takes place on Sunday, 15 November 2009. As in previous years, this event brings with it various road closures and again we aim to accommodate you as far as possible with alternative routes and easy access to your destinations. We therefore ask you for your support, patience and understanding.

This year's Momentum 94.7 Cycle Challenge expects 26 000 cyclists to take to the streets of Joburg in the world's second largest mass participation cycling event! To ensure the safety of both the cyclists and the residents, the City of Joburg, the Joburg Metropolitan Police Department, the Joburg Roads Agency and the Gauteng Department of Public Transport, Roads and Works will implement 'TOTAL ROAD CLOSURE' on the affected route. Please familiarise yourself with the route in the table below to check how this may effect you on Cycle Challenge Sunday.

The Momentum 94.7 Cycle Challenge has created and sustains various social responsibility initiatives that benefit the local communities. In doing so, the event also creates jobs for over 3 700 people.

We encourage you to be part of this momentous event. Support the cyclists along the route and together let's make Joburg the sporting capital of the world - a world class African city. **The Momentum 94.7 Cycle Challenge. It's everyone's race.**

Go to www.cyclechallenge.co.za and make use of our interactive map which will route you from your starting point to your destination through all the road closures on Cycle Challenge Sunday.
